38	26128146	2616551	BIOTECHNOLOGY	Best three Marks	While filling out my application through the Samarth portal, I entered my Class XII details and roll number correctly. However, due to an oversight on my part, I was unable to upload my Class XII marksheet at the time of submission. Since the portal accepted my application and displayed it as "Submitted," I mistakenly believed that my application was complete. Today, I was informed that my application may be rejected because the marksheet was not uploaded. I sincerely regret this mistake. I have now obtained my Class XII marksheet and am ready to submit it immediately for verification. I kindly request you to consider my case and allow me an opportunity to provide the missing document. I have secured 91.6% in the Higher Secondary Examination, and I would be extremely grateful if my application could still be considered for admission. I humbly request your assistance and guidance regarding the procedure to rectify this issue. I assure you that all other information provided in my application is accurate and genuine. Thank you for your time and consideration. I look forward to your positive response.	Incomplete form. Rejected.

52	26000350	2955675	PSYCHOLOGY	Category	I belong to the SC category and had applied for admission to Cotton University through the Samarth portal under the same category. However, at the time of application, my official caste certificate had not been issued, so I uploaded the acknowledgement receipt provided during the caste certificate application process. The correction window closed on 25 May, while my valid caste certificate was issued on 27 May, leaving me unable to upload the required document. After the publication of the applicant list, I noticed that my application has been considered under the General category instead of SC, likely because the acknowledgement receipt was not accepted as a valid caste certificate. Since I now possess the valid caste certificate, I kindly request that my category be corrected and my application be considered under my rightful SC category.	Invalid document. 151	26250748	3066772	STATISTICS	Category	<p>I am writing to bring to your kind attention an issue regarding my admission under the Other Backward Classes (OBC) – Non-Creamy Layer (NCL) category. I already possess a valid OBC category certificate. However, due to unavoidable delays in the issuance process, my NCL certificate could not be obtained before the admission deadline. As proof of my pending application and to maintain transparency, I submitted the official receipt of my NCL certificate application at the time of admission, as permitted. Despite this, I have recently been informed that I am being treated as a candidate from the General Category because the final NCL certificate was not submitted at that time. This is causing me significant academic and financial hardship, as I am being denied the reservation benefits rightfully available to me. I respectfully request that my original category status be reconsidered. I am now in possession of the required NCL certificate and am ready to submit it immediately for verification. My OBC status remains valid, and the delay was purely administrative, not intentional. I sincerely hope you will understand my situation and allow me to retain my admission under the OBC-NCL category as originally applied. Thank you for your kind consideration.</p>	<p>No Valid NCL certificate received. Please refer to: https://admissions.cottonuniversity.ac.in/pdf/UG26/Notice_NCL_categoryUGadmission2026.pdf</p>
