NOTICE

Missing Applicants: Combined Provisional Merit Lists for UG Admission 2021

The undersigned has received several communications regarding non-inclusion of names of applicants in the combined provisional (draft) merit lists in spite of them having submitted their applications and received acknowledgements for the same. In most of the cases there had been an inadvertent use of “**request form correction**” button leading to their applications being returned to open (not submitted) status which resulted in the system ignoring those applications at the time of list preparation. The affected candidates are hereby advised to login to their account used for submission of online application and check the status of their applications and submit it, making necessary corrections if any. If a new Application ID is received with an extra digit (for example BAR2123323 in place of BAR223323) then it is legitimate.

For ease of tracking of missing applications, the candidates who had submitted their completed admissions but did not find their names in the respective Combined Provisional Merit Lists published vide notification CU/Acad/UG Admissions/2021/191/527 dated 22/09/2021, are requested to furnish their information through the **Google Form** <https://forms.gle/dTkUhYTxDPLOTcgf8> before midnight on 24/09/2021.
