UG Admission 2021: Combined Provisional Merit Lists of Applicants

The combined provisional (draft) merit lists of candidates who had submitted online applications for admission to the 1st Semester of BA/BSc Honours, BA Liberal Arts, BA Honour Mass Communication & Journalism, BSc Honour Biotechnology and BCA programmes respectively of 2021 in Cotton University, are enclosed herewith.

The merit list is on the basis of data provided by the students through online application forms. The sum of marks secured in **English plus best 4 (four) other subjects** in the qualifying Higher Secondary or 12th equivalent examination determines the position of the candidate in the relevant merit list. The total mark of each of these 5 subjects is considered as 100.

Please note that this is only a draft list and final Unreserved and Quota-wise merit lists will be published after correction of errors or update of data reported by candidates. Candidates are requested to go through their respective data displayed in the relevant lists carefully.

If any error is detected or any information is required to be updated (for example, Unique ID, Category/Caste, EWS, Marks etc.) then a correction request has to be sent through the student's dashboard on or before 6 PM on 23 September 2021.

The authority will activate/enable the correction of the online forms and the students have to resubmit the corrected forms with updated document if necessary before 6 PM on 24 September 2021.

The already received correction requests will also be enabled and have to be resubmitted within the stipulated time mentioned above.

After receipt of all the corrected online forms the final merit lists will be uploaded and the date of admission will be notified.
